

FONTANA TEACHERS ASSOCIATION OCTOBER 27, 2016

FROM THE TABLE 2016-2017

The Negotiations Team bargained on October 26, 2016.

The focus of this session was the structure of the Professional Growth Column (V) of the Certificated Salary schedule. Currently Unit Members must be in the District for 18 years and have earned an additional 4 units of education credit after completing their 14th year. In other words, if you have 18 years of experience but some of them are out of the District you can't access this column on the salary schedule until completing your 18th year with FUSD.

Also discussed was the number of years that new hires can bring with them to the District. Currently the District accepts up to 9 years of previous experience.

In addition to the salary schedule, the District provided answers to our budget questions so that we can better prepare for salary increase negotiations.

No language was drafted or tentative agreements reached.

The next Negotiations session is scheduled for December 1.
