

FONTANA TEACHERS ASSOCIATION    JANUARY 11, 2016

## FROM THE TABLE 2015-2016

After a 7 hour bargaining session on January 6, 2016, a defined framework was finalized for the 7.5 hour workday. We are optimistic this “default” schedule will benefit both students and Unit Members. Further, each site may elect to modify this framework with options provided or work through the Innovation clause in the Collective Bargaining Agreement. Final details will be completed during the next meeting and this framework will be available for all Unit Members in early February.

The next sessions are scheduled as follows:

January 28, 2016

February 29, 2016

March 7, 2016
