

FONTANA TEACHERS ASSOCIATION
FEBRUARY 3, 2014

FROM THE TABLE 2013-2014

We met with the District's negotiations team this past Wednesday, January 29th. It was a productive meeting.

We were able to establish ground rules for future meetings; make progress on the Counselor MOU; and discuss "Grade Span Adjustment" (class size) as it relates to the Local Control Funding Formula (LCFF).

We also all agreed that the devastating cuts to education we suffered these past several years were not going to be "fixed" in one year.

Our next scheduled meeting with both teams is February 20th with a sidebar to set the agenda for this meeting scheduled for February 13th. Members can share their ideas or concerns with us in person on February 11th at 3:00 p.m. at the FTA office or email us through the FTA website – fontanateachers.org.
