

APRIL 25, 2017

FONTANA TEACHERS ASSOCIATION

FROM THE TABLE 2016-2017

The FTA and FUSD Negotiation Teams met to bargain on April 25, 2017. The following topics were discussed:

- All day Kinder – It was emphasized that only sites at which all Kinder teachers agree will be considered for the All Day Kindergarten Pilot. Applications are due this week.
- Innovations – Birch, Citrus and Kaiser high schools are scheduling votes during the next 2 weeks. Summit High School will be voting tomorrow, April 26th. Check with your Site Rep for more details.
- It was decided to work toward a tentative agreement to finalize a package that can be brought forward for an all-member ratification vote before the end of this instructional year. Any remaining opened articles not included in this package will roll over to the 2017-18 Instructional Year.

No Tentative Agreements (TA's) were reached. Please remember, any permanent changes to the Collective Bargaining Agreement (Contract) must be voted on by the membership after a TA has been reached.

You can access the 2017-2018 Bargaining Survey on the FTA's website (fontanateachers.org). Take just a couple of minutes to give your input toward our bargaining priorities for next year.

The next Negotiations session is scheduled for May 4, 2017.

Don't forget to wish your school/site secretaries and administrative assistants a "Happy Administrative Assistants Day" tomorrow!
