

FONTANA TEACHERS ASSOCIATION MAY 15, 2015

FROM THE TABLE 2014-2015

Your FTA Team met with the District May 13 to continue negotiations. **NO** Tentative Agreements were reached or signed.

Progress is being made throughout the recent bargaining sessions. Conceptual movement on unresolved issues is occurring but no formal language has been drafted. As soon as we receive formal language, we will make it available to you.

While parties move closer to reaching an agreement for you to vote upon during the ratification process, it has become clear that a 7.5 hour workday **WILL NOT** be implemented next year. Should an agreement be ratified, implementation would likely occur during the 2016-2017 instructional year.

Don't forget to complete the Annual Negotiations Survey. You can complete this anytime by May 31st online at www.fontanateachers.org .

Please wear your blue shirt next Wednesday!

The next bargaining session with the District is scheduled for May 20, 2015.
