

FONTANA TEACHERS ASSOCIATION MAY 11, 2016

FROM THE TABLE 2015-2016

FTA and the District met on May 4, 2016 to continue negotiations on Article 22 Summer School. The FTA and FUSD had a lengthy discussion regarding sick leave and class size for summer school. Article 22 was assigned to a sub-committee for the purpose of finalizing summer school contract language before the next bargaining session. Please remember, these changes once made are subject to ratification by members.

The bargaining teams also received the report from the innovation sub-committee. Two of the innovations were accepted to go forward for site votes. The remaining three were returned to the committee for revision and clarification with the respective sites.

In addition to Article 22, Articles 15 (Class Size with the exception of TK-3), 10 (Personnel Files), 14 (Workday) and Appendix B (Certificated Salary Schedule) still need to be completed and will be subject to an all-member ratification vote at that time.

In preparation for future bargaining, FTA is soliciting your help with establishing our priorities for the 2017-18 instructional year. Please access the survey at fontanateachers.org. The window for participation is open now and will close May 26th at midnight.

The next session is scheduled as follows:
