

FONTANA TEACHERS ASSOCIATION APRIL 16, 2018

## FROM THE TABLE 2017-2018

The FTA and FUSD Negotiation Teams met to bargain on April 27, 2018. The following topics were discussed:

- all day kinder at the following sites are approved for the 2018-2019 school year: Mango ES, Maple ES, Almond ES, Tokay ES, Sierra Lakes ES, Citrus ES, and Juniper ES.
- an innovation for Live Oak ES (affecting Kinder only)
- compensation for all members
- compensation for positions that are difficult to staff

The negotiations team understands that our time before this year ends is becoming more and more limited. We continue to be aware that ALL of our members want to know if we are getting a raise. We also want to reiterate that no matter when we finish negotiating, THERE WILL BE NO SUMMER VOTE. The IBB process continues to allow all voices to be heard and has helped generate dozens of ideas that may affect decisions regarding compensation. Your FTA Negotiations Team will continue to work diligently to make Fontana the best place to work.

The subcommittee will continue to meet in order to process the dozens of ideas and to help expedite the discussion at our next negotiations meeting on Thursday, May 10, 2018.

If you have any questions or concerns that you would like Negotiations to take into consideration, please feel free to contact the Negotiations Team at [negotiations@fontanateachers.org](mailto:negotiations@fontanateachers.org).
