FONTANA TEACHERS ASSOCIATION

FROM THE TABLE 2016-2017

May 4th your negotiations team reached a tentative agreement with FUSD for a one-time 3% bonus based on the 2016-2017 school year placement on the member's salary schedule. This will be in addition to an ongoing 4.75% raise we received previously for 2016-2017 school year which was on the salary schedule.

All other items, including any salary for next year, have been rolled over to the next bargaining year. In exchange for this one-time 3% bonus, your negotiations team agreed to change the tie breaking criteria for summer school positions.

All T.A.'s are posted on fontanateachers.org.

As previously reported, FTA reached agreement by MOU to reduce class size (Grade Span Adjustment) GSA, for the next two years. GSA for 2017-2018 will be reduced by 1 to 29 hard cap and 27 soft cap. GSA for 2018 -2019 will be reduced by 1 to 28 hard cap and 26 soft cap.

You can access the 2017-2018 Bargaining Survey on the FTA's website (fontanateachers.org). Take just a couple of minutes to give your input toward our bargaining priorities for next year.

There will be an informational meeting at the FTA Office on Tuesday, May 16, 2017 at 3:30p.m.
