

FONTANA TEACHERS ASSOCIATION AUGUST 17, 2016

FROM THE TABLE 2016-2017

Welcome to the 2016-17 School Year! Your Negotiation Team has been meeting and planning for upcoming bargaining sessions.

After careful review of the Bargaining Survey from last May, the results indicated that Members had issues surrounding transfer language, Schedule C, workday language, class size and salary. Since the articles for workday, class size and salary remain open from last year FTA opened the articles for transfer and Schedule C at the July 2016 Board of Education meeting. (Keep in mind that group-specific issues for Special Services and Pre-School can be addressed under these articles.)

All of the language that is subject to bargaining guarantees a busy year. We begin formal bargaining with the District on August 26th and will meet at least monthly until all of these articles are finished. Members will vote once agreement has been reached on all articles and language.

Negotiation Committee Meetings, open to all Members, will be held Monday of the week when Representative Council Meetings are scheduled.
